Designated Driver Services
Sprint 1 Report
04-19-2018

Actions to stop doing
• Being late to meetings

Actions to start doing
• Remove any unnecessary code and make sure the code follows the style guide

Actions to keep doing
• Communicating with the Sponsor
• Scrum Meetings
• Reading docs to help us implement features such as the payment system

Work Completed
• Set up the UI for the payment method
• Set up the server side for the payment method

Work Not Completed
• Work on some bits of the driver profile -- overall is done
• Work on some bits of the payment but overall is done

Work Completion Rate
•   2 User stories completed:
   -      User Story 1 **:** As a Developer, I want to add the google payment method and successfully make a payment
   -      User Story 2: As a Front-End Developer, I want to set up the driver profile

•   Total Hours Completed:
   -      25 hours

•   Time
   -      2 weeks
